Application No. 10/034,762  
Filed: December 27, 2001  
Docket No.: HOLO 1107 CIP

DECISION *SUA SPONTE*  
WITHDRAWING HOLDING OF  
ABANDONMENT

This is a decision, *sua sponte*, withdrawing the holding of abandonment of the above-identified application.

A non-final Office Action was mailed on November 14, 2002, setting a shortened statutory period of 3 (Three) months to reply. Extensions of time were available under the provisions of 37 C.F.R. 1.136 (a). In the absence of a reply to the Office action, the application was held abandoned and a Notice of Abandonment was mailed on June 04, 2003.

Although no petition or request to withdraw the holding of abandonment in this application has been filed, the Notice of Abandonment is hereby vacated, the holding of abandonment withdrawn and the application restored to pending status, since a Revocation of Power of Attorney and a request for change of address filed on April 22, 2002 was not entered. As a result, the non-final Office Action was mailed to an incorrect address. It is also noted that the Notice of Abandonment was also mailed to the same incorrect address.

The application file record has been corrected to reflect the correct correspondence address as indicated above.

The application is being forwarded to the Technical Support staff of Technology Center 2800 for remailing the Office action dated November 14, 2002. The shortened statutory period for response set therein will be reset to run from the date the Office action is remailed.

Inquiries related to this decision should be directed to Lissi Mojica Marquis at (703) 308-2260.
